1. DRIVE

Choose a journey.

Record the sounds within your car or cab as you drive your journey.

If you are female find seventeen women willing to sing. If you are male find seventeen men willing to sing. Place the seventeen singers in a darkened room. Play them the recording of the journey.

Indicate a dominant note in the recording for them to pitch to.

Open their mouths and bring forth noise.

Listen and respond to the noises being produced by the other singers.

Use your initiative.
